Hiking & Biking

TRAIL LEVELS

All Whale Rock Reservoir Trails are multi-use (hiking & biking)

- **EASY:** Trail surface mostly smooth, few technical features or steep sections
- **INTERMEDIATE:** Some sections with steep grades, rocks, loose gravel, technical features, or exposure
- **1** Circled numbers indicate trail intersections
- Elevation profiles help hikers visualize elevation changes over a continuous distance

Please respect private property and stay on trails.

In case of emergency dial 911.
