## **NOTICE OF CANCELLATION**

The letter serves as notice of the City of San Luis Obispo's determination to cancel the invitation for Request for Proposals (RFP) No. 91280, WRRF Aeration Blower Replacement, as none of the proposals came in at or under budget.

The City has determined that it would be in its best interest to cancel the solicitation and reject all proposals. This decision is made in accordance with Section B: General Terms and Conditions within the proposal documents, in which the City of San Luis Obispo reserves the right to accept or reject any or all proposals, or any part thereof, and to waive any technicalities.

The City will be re-issuing a new RFP for this service at a later date. The City apologizes for any inconveniences this may have caused.
