Every two years, the City Council invites all community members to help set goals and priorities for the Financial Plan (including funds from the Local Revenue Measure – our ½-percent City sales tax).

In 2018, the City implemented the Fiscal Health Response Plan (FHRP) to address significant financial challenges due to increased pension costs. To continue progress toward long-term fiscal health, the 2019-21 Financial Plan will emphasize maintaining City infrastructure, core services, and the FHRP objectives: employee concessions, new ways of doing business, operating reductions and revenues.

To get your feedback, on Wednesday, January 23 you can engage with the City Council, community members and City staff at the Community Forum. During the open house, you will:

- Learn about Major City Goals, core services and the community priorities survey
- Hear from and interact with other community members
- Voice your opinion with a dot poll throughout the event

You can also take the community priorities survey now at www.slocity.org/opencityhall.

 The City of San Luis Obispo is committed to including community members with disabilities in all of its services, programs, and activities. Telecommunications Device for the Deaf (805) 781-7410. Please speak to the City Clerk prior to the meeting if you require a hearing amplification device or other assistance.
