

# How to Use the New Protected Bike Lanes

Comuníquese con nosotros si desea solicitar materiales del proyecto o una conversación con el personal en español.

## Drive

Drive in the moving lane, not the parking lane.

## Park

Park in the marked spots. Watch for people loading.

## Load

Load in and out of cars. Watch for bikes when crossing.

## Bike

Watch for pedestrians crossing as they load and unload.

## Walk

Walk using the normal, pedestrian only sidewalk.
