INSPECTION REQUIRMENTS

- Shall be in digital format.
- Shall be in color (black and white or otherwise unclear video will not be accepted).
- Shall show the address of the lateral.
- Shall show the date the video was taken.
- Shall inspect the entire lateral from the house (building) connection to the city-owned sewer main.
- Shall have a running foot or time marker clearly visible on the screen.
- Where joints are present, shall briefly stop the camera at each to clearly indicate their integrity.
