Copies of Plans Affidavit

I hereby request the authority to duplicate the official copy of the building plans for:

_____ (address)

And agree:

1. That the copy of the plans shall only be used for the maintenance, operation, and use of the building.
2. That drawings are instruments of professional service and are incomplete without the interpretation of the certified, licensed, or registered professional of record.
3. That subdivision (a) of Section 5536.25 of the Business and Professions Code states that a licensed architect who signs plans, specifications, reports, or documents shall not be responsible for damage caused by subsequent changes to, or uses of those plans, specifications, reports, or documents, where the subsequent changes or uses, including changes or uses made by state or local governmental agencies, are not authorized or approved in writing by the licensed architect who originally signed the plans, specifications, reports, or documents, provided that the written authorization or approval was not unreasonably withheld by the architect and the architectural service rendered by the architect who signed and stamped the plans, specifications, reports, or documents was not also a proximate cause of the damage.
4. To pay all costs incurred with the reproduction of the plans I am requesting.

I declare, under penalty of perjury pursuant to the laws of the State of California, that the foregoing is true and correct.
