

**CLEAN ENERGY PROGRAM FOR NEW BUILDINGS**  
**FINAL INSPECTION CERTIFICATE OF COMPLIANCE**

**EFFECTIVE DATE:** January 1, 2023

**APPLICABLE PROJECTS:** All New Residential Buildings and New Non-Residential Buildings

**APPLICABLE CODES:** 2022 CEnC, CEC, CBC, and SLOMC 1717

**INSTRUCTIONS:** The following sections shall be completed by the person with overall responsibility for the construction and/or energy design of the project. A copy of this completed sheet shall be provided to the San Luis Obispo Building Inspector at the time of the Building Final Inspection. Sections A, B, and C must be completed to be considered valid.

**Project Address:** \_\_\_\_\_ **Building Permit #:** \_\_\_\_\_

**Choose one:**  New Residential Building OR  New Nonresidential Building OR  New Mixed-Fuel Building

**A. VERIFY COMPLIANCE:** Confirm that the new building meets the following state and local requirements.

- ALL-ELECTRIC:** The building is constructed without the presence of natural gas.
- California Energy Code:** The building complies with 2022 California Energy Code (Title 24, Part 6).
- EXEMPTIONS:** Please indicate below if an exception is applicable to your project and has been approved by the Community Development Director

**Technical Exemptions:** This project received approval for a technical exemption in accordance with Section 8.11.050. Indicate the applicable technical exemption.

- Back-up power for Critical Facilities
- Process Loads in a Newly Constructed Manufacturing and Industrial Facility
- Commercial Kitchen Equipment in a Newly Constructed Eating and Drinking Establishment (*until 12/31/25*)
- Water heating or space heating in a newly attached Accessory Dwelling Unit in which new services are provided by systems from an existing mixed fuel building (*until 12/31/25*).
- A swimming pool that is provided as a public amenity (*until 12/31/25*)

**Public Interest Exemption:**

- This project received approval for a public interest exemption in accordance with Section 8.11.060.

**B. TITLE 24 CERTIFICATE OF COMPLIANCE:** Confirm the completed building meets the energy performance requirements outlined in the approved energy compliance documentation. If re-design occurred, the applicant shall resubmit the Energy Compliance Report. (Choose 1 or 2)

- 1. NO CHANGES:** The completed building meets state and local standards as outlined in the Energy Compliance Documentation contained in the approved plan set.
- 2. RE-DESIGN OCCURRED:** Project experienced re-design after building permit approval or during the construction phase. (all 2 must be selected)
  - The updated Energy Compliance Documentation (Title 24 Report) has been re-submitted as a revision for review and approval by City staff.

**C. DECLARATION STATEMENT:**

I certify the information provided is true and correct. I certify that the measures, materials, components, or manufactured devices installed for compliance with state and local energy requirements conform to all applicable codes and regulations, and the installation is consistent with the plans and specifications approved by the enforcing agency.
