

Racks with Plaques
Bicycle Rack Donation Program
Donor Agreement

As a donor of a “Racks with Plaques” bicycle rack, I acknowledge that:

1. My donation becomes the property of the City of San Luis Obispo.
2. My donation lasts the lifespan of the bicycle rack which is estimated to be approximately 10-20 years. If the bicycle rack is damaged, beyond use, the City is not responsible for its replacement.
3. The City, and not the donor, will determine when the bicycle rack should receive a second powder-coating.
4. The exact placement of my donated bicycle rack will be at the discretion of the City of San Luis Obispo.
5. My donated bicycle rack may need to be relocated temporarily or permanently due to construction, utility, or circulation conflicts. If relocation is necessary, the City will seek the donor’s input on the relocation.
6. The donation plaque shall not be used for commercial advertising.
7. I am responsible for carefully reviewing the donor plaque design before I approve it and if I wish to change the design after I have approved it and the order has been placed, I will pay for a new plaque.
