

Water Pollution Prevention Tracking Information

Municipal Stormwater BMP E.10.a Compliance Form

Water Pollution Control Manager Information

Construction Company: _____

Contractor's License Num.: _____

QSP Num (for SWPPP): _____

Responsible Person: _____

Mailing Address: _____

Office Phone Number: _____

Cell Phone Number: _____

Email Address: _____

Project Information

Project Location: _____

Description of Work: _____

Distance to Nearest Creek or Storm Drain: _____

Area of Disturbance _____

Construction Phase (circle one) Off-Site On-Site

Construction Permit Type (completed by City Staff)

Encroachment Permit Permit Number: _____

Building Permit Permit Number: _____

Capital Improvement Plan Spec. Number: _____

Construction Permit Status (completed by City Staff)

Date Permit Issued: _____

Estimated Completion Date: _____

Pollution Prevention Plan Type (completed by City Staff)

SWPPP Approval Date: _____

WPCP (Included with Plans) Approval Date: _____

WPCP (Minor) Approval Date: _____

Water Pollution Control Plan for Minor Projects

<input type="checkbox"/> Construction Entrance	13-7	BMPs to eliminate tracking from construction site
<input type="checkbox"/>		
<input type="checkbox"/>		
<input type="checkbox"/>		
<input type="checkbox"/>		
<input type="checkbox"/>		
<input type="checkbox"/>		
<input type="checkbox"/>		
<input type="checkbox"/>		
<input type="checkbox"/>		
<input type="checkbox"/>		
<input type="checkbox"/>		
<input type="checkbox"/>		
BMP Maintenance		
<input checked="" type="checkbox"/> Inspect, Document, Clean & Repair	13-1.03	Daily maintenance of required BMPs

Acknowledgment

I have read, understood, and agree to the requirements of:

1. This WPCP
2. City of San Luis Obispo's Engineering Standard and Specifications
3. State of California's General Construction Permit

I understand and agree that:

1. Additional BMPs may be required during the course of the work to ensure the protection of local water quality
2. You must take corrective actions to protect local water quality
3. Failure to comply with all requirements could cause:
 - a. All construction work to be stopped until compliance is achieved
 - b. Permit to be revoked
 - c. Lose the privilege to work within the City right-of-way for 2 years
